Dear Brantley and Rainy,

We value the trust that you place in us and we always strive to do our best for you. Meeting the needs of the District is most important to us. Several months ago we received a Builder's Risk quote for the new Philip Simmons High School in the amount of \$488,173. In talking with Gene Sides about the project he was clear to advise the premium was a little high. We took this to heart and spoke with the carrier, Zurich in hopes that we could help get this cost down for you. After many discussions and a visit from a risk manager at Zurich, it was determined that if you built up 4 or 5 feet we could get better pricing for you. Well great news....**the final revised premium with the new elevation is \$224,007. A SAVINGS of \$264,166!** This not only impacts your Builder's Risk policy premium but should also save on the Property premium when the project is complete.

Thank you for giving us this opportunity to show our commitment to you.

Best wishes,

Renee' P. Jones, CSRM, CPIA, CISR
